All athletes need to bring me a copy of their practice and meet/game schedule ASAP during a season. If we find a large number of conflicts during a month with games/meets, we would shift the rehearsal night. That would be determined and shared in advance. Also, since we only meet regularly as a class once a week. Please talk to your coaches about leaving athletic practice early to be on time for class. Obviously a performance and class takes priority over an athletic practice and an athletic meet/game takes priority over a Jazz practice. If there are any problems with any of that, please give me the coach's name and I will talk to the coach.

The Jazz Bands are part of the Pep Bands. That schedule will come out in November. Games are in December thru March. Each student will be assigned 4 to 5 games. Students have the flexibility to switch dates if needed.

Jazz Band II traditionally meets on Tuesday nights. Due to the later schedule this year, we need to start at 5:30 p.m. If Jazz Ensemble I moves to a "Zero Block", then JBII will be able to go to 7:30 p.m. Until then, we will end at 7pm.

As of 8/19/17
